

Information about the COVID-19 Vaccine

The COVID-19 vaccine is now available to people age 65 and older.

Please make an appointment and get vaccinated.

This is a free service.

Vaccination Locations	How to make an appointment
<u>Hospital</u> • For a list of hospitals that have the vaccine, please check the Nagano City Homepage.	Please make an appointment at the hospital by phone. Those who are ill can reserve an earlier appointment time.
<u>Vaccination Venues</u> • Venues may differ depending on the day. • Please check for information on the city homepage.	Please call the “Nagano City Vaccination Call Center” (Japanese only.) Please tell them your name, phone number, and preferred vaccine venue. 026-225-5670 (Monday ~ Saturday 8:30 AM – 6:00 PM)

● How to get vaccinated

① A notice titled “Guide for the COVID-19 Vaccine” will arrive at your home.

② Please call the hospital or venue to make an appointment (for 2 doses of the vaccine).

③ Go to the hospital or venue at the appointed time.

Please bring the “Vaccine Ticket” sent with the notice described in point ①, as well as an identity verification document with you to the appointment. (Driver’s license, Health Insurance Card, etc.)

④ Follow the same steps laid out in point ③ above to receive your second dose.
